

Please read this form carefully and complete all candidate fields before signing

Licensing Assessment Appeals Form

Appeal process

Future Energy Skills supports the right for all candidates to a fair and transparent process for the resolution of Licensing Assessment appeals if the individual believes a decision, behaviour or action is unfair

1. Receive your result through FESconnect
2. Obtain a paper review to ascertain where you lost marks.
3. Attend a face-to-face review with an assessor or have a phone review.
4. If you believe you have grounds to appeal your result, speak with the assessor at the completion of your face -to face review or complete the form below and submit to Future Energy Skills.
5. Appeals may only be made by the candidate who undertook the assessment, within 7 days of the assessment.
6. Future Energy Skills will commence the appeals process with an outcome within 10 business days of receipt of the appeal.

Please email or complete this form and email to the address below:

appeals@futureenergyskills.com.au

If you are not satisfied with the appeal's outcome you can make a further appeal to ESV
